

LEGAL EXPERTISE

Bring Unlimited in when legal gets complicated.

For law firms dealing with intake, practice-management integrations, and disconnected systems.

BRING UNLIMITED IN WHEN —

Client Intake

Create a more consistent intake process from consultation through qualification and handoff.

Practice-Mgmt Integrations

Connect HubSpot with legal platforms so client and case data isn't re-entered manually.

CRM Migrations

Move firms off Salesforce or legacy CRMs while protecting historical case data.

Multi-Office Standardization

Create common processes and reporting across offices, teams, or jurisdictions.

INT

Client Intake

Create a more consistent intake process.

PMI

PM Integrations

Connect HubSpot with legal platforms.

CRM

CRM Migrations

Move off legacy CRMs safely.

MOS

Multi-Office Ops

Standardize processes across offices.

RESULTS IN LEGAL —

[See all case studies →](#)

25%

Team productivity increase

Houston multi-office firm

A Houston multi-office firm used HubSpot to increase team productivity by 25%, streamlining workflows firmwide.

40%

Less non-billable time

Houston multi-office firm

The same firm cut non-billable time 40%, freeing attorneys to focus on billable client work.

Automated

Attorney notifications

Grand Canyon Law Group

Automated attorney notifications and CallRail attribution unified intake visibility, with Clio kept as the system of record.
